**BOARD OF DIRECTORS
STAFF REPORT**

DATE: May 2, 2024
TO: Board of Directors
FROM: William Fox, Chief Financial Officer
SUBJECT: MONTHLY REVENUE & EXPENDITURES REPORT – MARCH 2024

MEETING HISTORY:

04/24/24 Finance Committee REFERRED TO BOARD

BACKGROUND:

The Board of Directors requested the Monthly Financial Status Reports to be presented to the Finance Committee for review and discussion before presenting them to the Board of Directors. The reports are being produced by the District's Financial System (System of Records) and will be presented on a monthly basis.

DISCUSSION:

The Monthly Financial Status Report (**Exhibit A**) summarizes the District's revenue categories as well as expenditures for all Departments. The original total budget includes the adopted budget. The current total budget includes the adopted budget plus any budget amendments or adjustments made during the year. Period activity column represents activity for the reporting periods. The fiscal activity column represents the year-to-date activity or transactions that have been recorded in the general ledger from the beginning of the fiscal year July 1 through March 31. The encumbrance column represents funds encumbered with a purchase order that's not spent but committed. The percentage column represents the percentage of the current budget that has been received (Revenue) or utilized (Expenditure).

FISCAL IMPACT:

There is no fiscal impact for producing the March 2024 Monthly Revenue & Expenditure Report.

STAFF RECOMMENDATION:

Recommendation for the Board of Directors to approve the March 2024 Monthly Revenue & Expenditure Report.

**BOARD OF DIRECTORS
STAFF REPORT**

DATE: May 2, 2024
TO: Board of Directors
FROM: John Thiel, General Manager
SUBJECT: CASH DISBURSEMENTS REPORT - MARCH 2024

MEETING HISTORY:

04/24/24 Finance Committee REFERRED TO BOARD

BACKGROUND:

The Board of Directors requested the Monthly Cash Disbursements Report to be presented to the Finance Committee for review and discussion before presenting these reports to the Board of Directors. The reports are being produced from the District's Financial System (System of Records) and will be presented to the Finance Committee on a monthly basis.

DISCUSSION:

Each month, the Accounting Department provides a complete listing of all previous month's disbursements to promote fiscal responsibility and accountability over the expenditure of public funds. This process includes providing the Finance Committee, Board of Directors, and ratepayers the opportunity to review expenses for supplies, materials, services, (**Exhibit A**) and payroll Disbursements (**Exhibit B**). Payroll is processed bi-weekly and accounts payable are processed weekly. Information to justify each payment is available through the Accounting Department. For reference, Customer Refunds are credits due as a result of closing a water account.

FISCAL IMPACT:

There is no fiscal impact for producing the March 2024 Cash Disbursement Reports.

STAFF RECOMMENDATION:

Forward a recommendation to the Board of Directors to approve the March 2024 Cash Disbursement Reports.

**BOARD OF DIRECTORS
STAFF REPORT**

DATE: May 2, 2024
TO: Board of Directors
FROM: William Fox, Chief Financial Officer
SUBJECT: MONTHLY TRANSFER REPORT - MARCH 2024

MEETING HISTORY:

04/24/24 Finance Committee REFERRED TO BOARD

BACKGROUND:

At the August 20, 2020, Board of Directors meeting, the WVWD Board of Directors approved and authorized the Chief Financial Officer to transfer funds in/out of the District's Chase account to/from the District's investment accounts to take advantage of potential interest earnings. At this meeting, the WVWD Board also requested that the CFO provide a detailed report to the Board of all transfers on a monthly basis and include this report in the monthly financial reports presented to the Board.

DISCUSSION:

Following the Board's request for monthly updates on transfers related to investments is the March 2024 Funds Transfer Report. This is located at Exhibit A. There was one transfer during the month made from the Local Agency Investment Fund (LAIF) account for \$3.5 million going into the Chase General Checking Account. Funds were transferred for payment of construction costs on the PCL Invoice for the Romer Expansion Project.

FISCAL IMPACT:

Lost interest earnings on funds transferred from the LAIF account. Transfer was made out of operational necessity.

STAFF RECOMMENDATION:

Forward a recommendation to the Board of Directors to approve the March 2024 Funds Transfer Report.

STAFF REPORT**

DATE: May 2, 2024
TO: Board of Directors
FROM: William Fox, Chief Financial Officer
SUBJECT: TREASURER'S REPORT - MARCH 2024

MEETING HISTORY:

04/24/24 Finance Committee REFERRED TO BOARD

BACKGROUND:

On a monthly basis the Finance Committee meets with the General Manager and Finance Staff to review the Treasurer's Report that covers the prior month. This encompasses balances, reserve levels, reserve classifications, interest earned, investment maturities, reinvestments made during the month, and compliance with the State of California Local Agency Investment Guidelines.

DISCUSSION:

West Valley Water District ("District") contracts with the Clifton Larson Allen LLP to prepare the monthly Treasurer's Report. This is an independent report that opines on the investment balances, classifications, and activity. This report also examines the District's investment policy to ensure that it follows the State of California's Local Agency Investment Guidelines (Government Code Section 53601(b)). The Treasurer Report for the Month of March 2024 (Exhibit A) is presented to the Finance Committee for review and discussion.

FISCAL IMPACT:

Monthly Cost of \$2,900 was included in the FY 2023-24 annual budget.

STAFF RECOMMENDATION:

Approve the March 2024 Treasurer's Report and forward it to the Board of Directors for their review and approval.

I also certify that there are adequate funds available to meet the District's Budget.

Chief Financial Officer

*Quarterly interest posted the month following the quarter end.

West Valley Water District Investment Memo – March 2024

Note:

All significant assumptions, methodologies and analyzed amounts were discussed with and agreed to by the District's accounting staff. From this conversation, we believe the District's accounting staff has the requisite knowledge and understanding of the processes/analyses prepared by CLA as not to impair our independence.

Total Fund Balance

When comparing the District's total fund balances month-over-month between March 2024 (\$112,429,748.47) and February 2024 (\$115,459,560.54), CLA found the fund balance decreased by \$3,029,812.07 between March 2024 and February 2024.

U.S. Bank Chandler Custodial Account

Cash/Money Market - Per Section 9.11 of the District's investment policy, "The company shall have met either one of the following criteria: 1) attained the highest ranking or the highest letter and numerical rating provided by not less than two NRSROs "Nationally Recognized Statistical Rating Organization" or 2) retained an investment adviser registered or exempt from registration with the Securities and Exchange Commission with not less than five years of experience managing money market mutual funds with assets under management in excess of five hundred million dollars." Based on Chandler Asset Management's reconciliation summary for the period ending March 31, 2024, CLA was able to confirm the District's cash and money-market securities were in accordance with the investment policy. CLA also conducted a review of the District's cash and money-market securities and found that all the District's holdings were in alignment with the requirements set forth in the investment policy.

In addition to ensuring that the District's money market funds attained the highest ranking provided by more than one NRSRO, the District also met the requirements outlined in Section 9.11 of the investment policy through its established relationship with Chandler Asset Management. With total assets under management of over \$30 billion with over thirty-five years of experience in managing money market mutual funds, Chandler Asset Management exceeds the requirements of the District's policy.

Per the investment policy, the maximum percentage of District investments in money market funds is capped at 20%. Similarly, the allowable mutual fund and money market account instruments per California government code (Sections 53601(I) and 53601.6(b)) for local government entities are also capped at 20%. The District's money market balance percentage as of March 31, 2024 is 0.28%. Therefore, the District is following both the investment policy and California governmental code.

United States Treasury Issues – Per Section 9.1 of the investment policy, "there's no limitation as to the percentage of the portfolio that may be invested in this category."

The District's investment policy is in uniformity with the State of California's Local Agency Investment Guidelines (Government Code Section 53601(b)). These guidelines establish that maximum investment maturities for United States Treasury Obligations are limited to five years. However, the legislative body may grant express authority to make investments either specifically or as a part of an investment program approved by the legislative body that exceeds this five-year remaining maturity limit. Such approval must be issued no less than three months prior to the purchase of any security exceeding the

West Valley Water District Investment Memo – March 2024

five-year maturity limit. These guidelines do not establish a maximum specified percentage of the District's investment portfolio for United States Treasury Obligations.

As of March 31, 2024, 74.07% of the District's total portfolio is invested in United States Treasury Issues. With no maximum percentage established for United States Treasury Issues, the District is in conformity with the investment policy and the State of California's Local Agency Investment Guidelines.

Negotiable Certificates of Deposit – Section 9.4 of the District's investment policy states "purchases are limited to securities that have a long-term debt rating of at least the "A" category, or its equivalent, by a NRSRO." All instruments categorized as negotiable certificates of deposit in the District's portfolio follow Section 9.4 of the investment policy, as each security has a satisfactory long-term debt rating, and the investment matures within the five-year time frame as dictated in the policy. Based on CLA's analysis, the purchase dates for all medium-term notes fall within the five-year framework established in the investment policy.

Per Section 9.4 of the investment policy, the maximum percentage of investments in negotiable certificates of deposit is 30% of the portfolio.

The District's investment policy is also in accordance with the State of California's Local Agency Investment Guidelines (Government Code Section 53601(i)) regarding negotiable certificates of deposit. These guidelines establish a maximum specified percentage of the District's investment portfolio for certificates of deposit at 30%. The State of California's guidelines also establish that maximum investment maturities for medium-term notes are limited to five years.

Negotiable certificates of deposit constitute 0.0% of the District's total investment balance as of March 31, 2024. Therefore, the District is following both the investment policy and the State of California's standards.

Medium-Term Notes – Section 9.10 of the District's investment policy states "purchases are limited to securities that have a long-term debt rating of at least the "A" category, or its equivalent, by a NRSRO." The investment policy also states that medium-term notes should have a "maximum remaining maturity of five years or less." All instruments categorized as medium-term notes in the District's portfolio follow Section 9.10 of the investment policy, as each security has a satisfactory long-term debt rating, and the investment matures within the five-year time frame as dictated in the policy. Based on CLA's analysis, the purchase dates for all medium-term notes fall within the five-year framework established in the investment policy.

Per Section 9.10 of the investment policy, the maximum percentage of investments in medium short-term notes is 30% of the portfolio.

The District's investment policy is also in accordance with the State of California's Local Agency Investment Guidelines (Government Code Section 53601(k)) regarding medium-term notes. These guidelines establish a maximum specified percentage of the District's investment portfolio for medium-term notes at 30%. The State of California's guidelines also establish that maximum investment maturities for medium-term notes are limited to five years.

Medium-term notes constitute 7.59% of the District's total investment balance as of March 31, 2024. Therefore, the District is following both the investment policy and the State of California's standards.

West Valley Water District Investment Memo – March 2024

Federal Agency Obligations – Per Section 9.5 of the District’s investment policy, “there is no limitation as to the percentage of the portfolio that may be invested in this category, however, purchases of callable Federal Agency obligations are limited to a maximum of 30 percent of the portfolio.” Although the policy does not explicitly list the bond rating requirements for federal agency obligations, all the District’s current federal agency holdings are rated AAA by multiple NRSRO’s as of March 31, 2024.

While the State of California’s Local Agency Investment Guidelines have not established a maximum specified percentage for investments in federal agency obligations, these guidelines establish that maximum investment maturities for Federal Agency Obligations are limited to five years (Government Code Section 53601(f)). However, the legislative body may grant express authority to make investments either specifically or as a part of an investment program approved by the legislative body that exceeds this five year remaining maturity limit. Such approval must be issued no less than three months prior to the purchase of any security exceeding the five-year maturity limit.

Federal agency obligations represent 10.24% of the District’s total investment balance as of March 31, 2024. Therefore, the District is in accordance with both its investment policy as well as the guidelines set-forth by the State of California.

Municipal Bonds – Per Section 9.6 of the District’s investment policy, “purchases are limited to securities that have a long-term debt rating of at least the “A” category, or its equivalent, by a NRSRO; and/or have a short term debt rating of at least “A-1”, or its equivalent, by a NRSRO.” The maximum percentage of District investments in municipal bonds is capped at 20%.

While the State of California’s Local Agency Investment Guidelines have not established a maximum specified percentage for investments in municipal bonds, these guidelines establish that maximum investment maturities for Federal Agency Obligations are limited to five years (Government Code Section 53601(d)). However, the legislative body may grant express authority to make investments either specifically or as a part of an investment program approved by the legislative body that exceeds this five year remaining maturity limit. Such approval must be issued no less than three months prior to the purchase of any security exceeding the five-year maturity limit.

Municipal bonds represent 0.28% of the District’s total investment balance as of March 31, 2024. Therefore, the District is in accordance with both its investment policy as well as the guidelines set-forth by the State of California.

Local Agency Investment Fund (LAIF)

The State of California, Local Agency Investment Fund (LAIF) processes a same-day transaction if notified by 10:00 am. This ability satisfies the investment requirement of 24-hour liquidity as stipulated in the investment policy for the District.

Per Section 9.2 of the District’s investment policy, the maximum percentage of investments in the State of California, Local Agency Investment Fund is unlimited.

The District’s investment policy is also in accordance with the State of California’s Local Agency Investment Guidelines (Government Code Section 16429.1) concerning the Local Agency Investment Fund. These guidelines establish no maximum specified percentage of the District’s investment portfolio while also dictating no maximum maturity date for LAIF investments.

West Valley Water District Investment Memo – March 2024

Per the Standard and Poor's rating system, California's Current Credit Rating is AA-, identifying the credit quality of the fund's portfolio performance as strong.

As of the period ending March 31, 2024, the District's Local Agency Investment Fund balance represents 4.22% of the District's entire portfolio. Therefore, the District is following the investment policy as well as the standards of the Local Agency Investment Guidelines.

Based on the LAIF performance report dated April 03, 2024, LAIF investments had a net-yield of 4.232%. Regarding portfolio composition, LAIF fund investments were split into the following categories (percentages may not total 100% due to rounding):

- Treasuries- 54.92%
- Agencies- 25.05%
- Certificates of Deposit/Bank Notes- 10.04%
- Commercial Paper- 6.38%
- Time Deposits- 3.02%
- Loans- 0.20%
- Corporate Bonds- 0.39%

On March 20, 2019, the District received a \$3 million dollar settlement as part of a larger association of local water districts and municipalities, from the San Gabriel Valley Water Company, Fontana Union Water Company, and the San Gabriel California Corporation. Per the settlement agreement, "West Valley and the non-settling plaintiffs separately asserted six claims alleging breach of contract and other claims arising from the 1961 Decree." The 1961 Decree governs groundwater pumping from a portion of the Rialto-Colton Basin. The claims also concern the defendants (Fontana Parties) pumping from a portion of the Rialto-Colton Basin that is outside the Rialto Basin as defined by the 1961 Decree. The San Bernardino Basin Area and most but not all the Rialto-Colton Basin are located within the service area of the Valley District and this violation served as the basis of the settlement.

The settlement check was received and deposited into the District's General Government Checking bank account and the District's board approved the transfer of the \$3 million in settlement funds to the District's LAIF account on April 4, 2019. While these funds have been earmarked for Capital Improvement Projects, the District has yet to allocate these funds to any specific project and the District will house all settlement funding in the LAIF account until board approval is received for the allocation of these funds.

The Investment Trust of California (Cal TRUST)

Section 9.3 of the District's investment policy states "no limit will be placed on the percentage total in this category." The State of California also fails to establish a maximum percentage total for investment trusts per Government Code Section 16340. As of the period ending March 31, 2024, the District's CalTRUST investment balance represents 0% of the District's entire portfolio. Therefore, the District is following the investment policy and the standards set-forth by the State of California as it relates to CalTRUST securities.

West Valley Water District Investment Memo – March 2024

Bank Deposits

Based on the District's investment policy, "Securities placed in a collateral pool must provide coverage for at least 100 percent of all deposits that are placed in that institution." As of March 31, 2024, the District maintained balances within the FDIC limit of \$250,000 for each of its bank accounts, except for the Chase General Governmental Checking account. The Chase General Governmental Checking account maintains funds for operational purposes and normally carries a balance of at least \$1.5 million dollars which represents funding for one payroll, and one accounts payable check run. In CLA's comparison between the District's general checking account balances for March 2024 (\$1,840,012.43) and February 2024 (\$2,243,907.90), CLA observed a decrease in the March 2024 balance of \$403,895.47 versus February 2024 and variance is a result of regular activities.

During our review of the March 2024 Chase General Governmental Checking account bank statement, it was noted that there were 7 fraudulent activities totaling \$4,819.9. West Valley Water District ("WVWD") has a procedure where the bank issues a check/ACH exception report for WVWD to review and reject fraudulent checks/ACHs as needed. Currently, WVWD has implemented check number and amount positive pay.

CLA also noted few unusual deposits and withdrawals during our review. On March 20, 2024, there was a wire transfer from California State Treasurer LAIF Account 018 to Checking account for \$3,500,000 to cover a wire payment made to PCL Construction for the Roemer Expansion Project in the amount of \$3,101,092.27 on March 21, 2024. On March 28, 2024, the District transferred \$419,073.02 to US Bank account for bond interest payment due on April 1, 2024.

While the District reconciles its deposit accounts monthly, CLA found that the District has historically reported the month-ending bank statement balance on the Treasurer's Report. Because the monthly bank statement does not take any outstanding checks or other withdrawals into account, the District may be overstating the General Government Checking balances on the Treasurer's Report, which ultimately impacts its liquidity.

In January, the UTC Routine Checking account was \$5,000.56 and the UTC Non-Routine Checking account balance was \$48,636.50. The balances in both accounts went remained unchanged between March 2024 and February 2024. The relatively low balances in both accounts (in comparison with the historical balances) is due to the CFO's emphasis on transferring more of its unrestricted cash balances to the District's investments accounts to take advantage of the increased rate of return.

In analyzing the accounting for the District's cash drawers (\$3,600) and petty cash (\$700), per the District's accounting staff, the District's cash drawers are normally reconciled daily. Each drawer is counted by the customer service representative responsible for the drawer and a secondary count is performed by the customer service lead or supervisor prior to the funds being relinquished to the District's armored security provider, Gaurda, for deposit daily. Cash deposits are reconciled daily by the District's accounting department. Petty cash is normally reconciled by the accounting department monthly. The District's accounting department provided CLA with a formalized reconciliation for the petty cash account and the cash drawers for March 2024, therefore CLA was able to agree the cash drawers and petty cash balance to the District Cash Drawers summary schedule.

West Valley Water District Investment Memo – March 2024

Section 9.12 of the investment policy asserts that “there is no limit on the percentage of the portfolio that may be invested in bank deposits.” Similarly, the State of California’s Government Code for Allowable Investment Instruments fails to dictate any portfolio standards for general bank deposit accounts. Although no maximum has been established for amounts invested in bank deposits by the investment policy or the State of California, CLA can verify that as of March 31, 2024, the District had 2.06% of its portfolio invested in bank deposit accounts.

Commercial Paper

Commercial paper is an unsecured, short-term debt instrument issued by a corporation, typically for the financing of accounts payable and inventories and meeting short-term liabilities. Commercial paper is usually issued at a discount from face value and typically reflects prevailing market interest rates. Per section 9.8 of the investment policy, the entity that issues the commercial paper should meet all the following conditions “(i) is organized and operating in the United States as a general corporation, (ii) has total assets in excess of five hundred million dollars (\$500,000,000), and (iii) has debt other than commercial paper, if any, that is rated at least the “A” category by a NRSRO. For a commercial paper investment to be eligible for the District, the commercial paper shall not have a maximum maturity of 270 days or less and no more than 25% of the District’s portfolio may be invested in this category.

The District’s investment policy is also in accordance with the State of California’s Local Agency Investment Guidelines (Government Code Section 53601 (h)) regarding Commercial Paper. These guidelines establish a maximum specified percentage of the District’s investment portfolio for commercial paper at 25%. The State of California’s guidelines also establish that maximum investment maturities for commercial paper should be 270 days or less.

As of March 31, 2024, the District had 0.00% invested in commercial paper investment. Therefore, the District is following both the investment policy and the State of California’s standards.

Supranational

Supranationals are explicitly defined in Section 9.14 of the investment policy as “US dollar-denominated senior unsecured unsubordinated obligations or unconditionally guaranteed by the International Bank for Reconstruction and Development, International Finance Corporation, or Inter-American Development Bank”. Securities listed as supranationals must be rated in the AA category or higher by a NRSRO and no more than 30% of the District’s portfolio may be invested in these securities with a maximum maturity of five years.

The District’s investment policy is also in accordance with the State of California’s Local Agency Investment Guidelines (Government Code Section 53601(q)) regarding supranationals. These guidelines establish a maximum specified percentage of the District’s investment portfolio for supranationals at 30%. The State of California’s guidelines also establish that maximum investment maturities for supranationals should be five years or less.

As of March 31, 2024, the District’s investments in four securities categorized as supranationals was 1.26% of the total portfolio and securities maintained a maturity date of less than five years from the original purchase date. CLA can confirm that the District’s supranational investments meet the standards of both the investment policy and the State of California.

Note:

All significant assumptions, methodologies and analyzed amounts were discussed with and agreed to by the District's accounting staff. From this conversation, we believe the District's accounting staff has the requisite knowledge and understanding of the processes/analyses prepared by CLA as not to impair our independence.

Restricted Funds

Bond Proceeds Fund(s) – Balances in the bond proceeds fund accounts represent monies derived from the proceeds of a bond issue. Per the requirements of the District's reserve policy, the target level for the debt service reserve requirement is established at the time of the bond issue. Based on documentation provided to CLA, "no reserve fund has been established in connection with the issuance of the 2016A bonds." Therefore, the March 31, 2024, ending balance of \$419,440.85 satisfies the minimum balance requirements per the District's reserve policy.

Customer Deposit Accounts – Due to fluctuations in the number of utility customer deposits required and the number of development projects in process, no minimum or maximum levels have been established for customer deposit accounts. The customer deposit account balances presented on the treasurer's report are based on the ending balance on the general ledger for the month. The customer deposit accounts are reconciled monthly. CLA was able to confirm that the customer deposit accounts balance presented on the March 2024 Treasurer's Report reconciles with the District's general ledger. The March 31, 2024, balance of \$4,521,430.83 in customer deposit accounts satisfies the balance requirements of the District's reserve policy.

Capacity Charge Account – The District's reserve policy does not explicitly address or specify any minimum or maximum funding levels for capacity charge accounts. However, based on the reconciliation schedule provided by the District, CLA can confirm that the balance of \$34,167,738.91 presented on the March 2024 Treasurer's Report for the Capacity Charge Account reconciles with the documentation provided to CLA with no variance.

CIP Account in LAIF for Capital Purposes – On March 20, 2019, the District received a \$3 million dollar settlement as part of a larger association of local water districts and municipalities, from the San Gabriel Valley Water Company, Fontana Union Water Company and the San Gabriel California Corporation. The check was received and deposited into the District's General Government Checking bank account and the District's board approved the transfer of the \$3 million dollars in settlement funds to the District's LAIF account on April 4, 2019. While these settlement funds have been restricted for Capital Improvement Projects, currently there are no designations or allocations for District funding towards any Capital Improvement Projects.

Capital Reserve Funds

Capital Project Account – The capital project account is used for the funding of new capital assets or the rehabilitation, enhancement, or replacement of capital assets when they reach the end of their useful lives. Per the requirements of the District's reserve policy, "the minimum target level WVWD will strive for is 100% of its then-current year fiscal year from the Capital Improvement Budgets plus 25% of the amount estimated to be needed the following fiscal year, less minimum levels established for the Emergency Account." The District currently maintains a balance of \$10,350,340 (\$8,796,340.00 for fiscal

West Valley Water District Reserve Memo – March 2024

year 2023-24 and \$1,554,000 for fiscal year 2024-25) in its capital project account, meeting the minimum target level required for both fiscal years. CLA was able to confirm that the District is in adherence with the minimum target level requirement as of March 31, 2024 by comparing the board-approved Fiscal Year 2023-24 Capital Improvement Budget which indicates a total CIP for fiscal year 2023-24 of \$8,796,340.00. The reserve policy only requires the district to maintain 25% of the amount estimated to be needed the following fiscal year 2024-25 which amounts to \$1,554,000, therefore, the District meets the requirement indicated in its reserve policy.

Emergency Account – The emergency account may be utilized to purchase water at any time or to begin repair of the water system after a catastrophic event. Therefore, a minimum target level equal to 1% of net capital assets of the District’s water system has been established to enable the district to manage emergency situations. Per March 31, 2024, general ledger detail reporting provided by the District’s accounting staff, CLA was able to confirm that the District’s net assets total \$149,404,444.99. As of March 31, 2024, the emergency account represents a balance of \$1,494,044.45 or 1% of total net assets, allowing the District to meet its requirements for the reserve policy.

Liquidity Funds

Rate Stabilization Fund – This fund is established to provide flexibility to the Board when settling rates to allow for absorbing fluctuations in water demand and smoothing out rate increases over time, temporarily defraying any unforeseen decreases in the sale of water. To remain in conjunction with the reserve policy, the District should aim to maintain a minimum level equal to 45 days of the District’s budgeted total operating expenses. Per the FY 2023-24 board-approved budget, the District anticipates operating expense of \$32,466,172.00 for the current fiscal year. The District’s current balance of \$4,058,271.50 in its rate stabilization account achieves the minimum target level for this account as indicated in the reserve policy.

Operating Reserve Account – This fund may be routinely utilized by staff to cover temporary cash flow deficiencies caused by timing differences between revenue and expenses or decreases in revenues and unanticipated increases in expenses. Given the significance of this account, the District strives to maintain a minimum amount equal to 90 days of the District’s budgeted total operating expenses in this account. Per the FY 2023-24 board-approved budget, CLA can confirm the District has an operating expenses budget of \$32,466,172.00. As of March 31, 2024, the operating reserve account maintains a balance of \$8,116,543.00, which satisfies the requirements of the District’s reserve policy.

Self-Insurance Reserve – As indicated in the minutes from the April 5, 2018 board meeting, the District’s board of directors approved \$5,000,000 in funds for employee liability claims and this amount is considered adequate based on conversations with the District’s CFO.

Balance Available for Daily Operations – This balance represents the District’s total cash balance less any fund requirements. For the month ending March 31, 2024, the District had a total of \$112,429,748.47 in various institutional accounts. The required reserve balances by type total \$68,139,720.64 and are categorized as follows:

- Restricted Funds- \$42,108,610.59
- Capital Reserve Funds- \$8,856,295.55
- Liquidity Funds- \$12,174,814.50

West Valley Water District Reserve Memo – March 2024

- Other Reserves- \$5,000,000.00

Based on the District's Treasurer's Report, which indicates a total cash and investment balance of \$112,429,748.47 and fund requirements of \$68,139,720.64, the fund balance available for daily operations reconciles to the March 2024 Treasurer's report.

CLA reviewed the Treasurer's report for clerical accuracy and recalculated the total Unrestricted Reserves balance and agreed the totals to the March 2024 Treasurer's Report. The Treasurer's Report indicates that West Valley Water District's total cash, investment, and reserve balances as of March 31, 2024, total \$112,429,748.47. In its assessment of the District's accounts, the balances on the Treasurer's Report appear to agree with the supporting documentation provided by the West Valley Water District.

**BOARD OF DIRECTORS
STAFF REPORT**

DATE: May 2, 2024
TO: Board of Directors
FROM: Joanne Chan, Director of Operations
SUBJECT: APPROVE SALE OF WATER IN STORAGE IN THE CHINO
 GROUNDWATER BASIN

MEETING HISTORY:

04/16/24 Engineering, Operations and Planning Committee REFERRED TO BOARD

BACKGROUND:

Stakeholders in the Chino Basin are allowed to buy, sell, or store unused water rights overseen by the Chino Basin Watermaster (Watermaster). As of June 2023, West Valley Water District's (District) stored groundwater reserves totaled approximately 9,341 acre-feet (AF) and the District has rights to accumulate approximately 1,000 AF annually. However, the District is unable to extract its current water rights due to well contamination issues in the Chino Basin, therefore the sale of the District's stored water has been considered appropriate.

DISCUSSION:

Niagara Bottling, LLC has expressed an interest to purchase 2,000 AF of the District's stored Chino Basin groundwater this fiscal year at \$620 per AF. The rate is consistent with other water transactions in the Chino Basin. Attached as **Exhibit A** is the Water Lease and Transfer Agreement.

This transaction is pending District Board approval prior to moving the item to the Chino Basin Watermaster Board. District staff expect it will take several months for the Watermaster to evaluate the transaction. If the Watermaster approves the transaction, Niagara Bottling, LLC will have 60 days to make payment to the District.

FISCAL IMPACT:

This item is not included in the FY2023/2024 Revenue section of the approved budget. District staff anticipates \$1,240,000 in revenue resulting from this transaction.

STAFF RECOMMENDATION:

Staff recommends that the Committee forward a recommendation to the Board of Directors to:

1. Approve agreement with Niagara Bottling, LLC for the sale of 2,000 AF of stored water in the Chino Groundwater Basin at a rate of \$620 per AF and;
2. Authorize the General Manager to execute all necessary documents.

EXHIBIT A

WATER LEASE AND TRANSFER AGREEMENT

THIS WATER LEASE AND TRANSFER AGREEMENT (“Agreement”) is entered into as of the ____ day of _____, 2024 (“Effective Date”) by and between the WEST VALLEY WATER DISTRICT, a public agency (“WVWD”) and NIAGARA BOTTLING, LLC, a Delaware limited liability company, with its principal address located at 1440 Bridgeway Drive, Diamond Bar, California 91765 (“Company”). WVWD and Company may be referred to in this Agreement individually as a “Party” or collectively as the “Parties.”

RECITALS

WHEREAS, the Chino Basin Watermaster (“Watermaster”) was established under a judgment entered into for the case entitled *Chino Basin Municipal Water District v. City of Chino, et al*, dated as of January 27, 1978 (“Judgment”). The Watermaster's mission is to manage the Chino Groundwater Basin (“Basin”). Under the Judgment, three “Pool” committees were formed including the “Appropriative Pool” which represents cities, special districts, other public or private entities and utilities with rights in the Basin; and

WHEREAS, both Parties have certain rights in the Basin as “Appropriative Pool Members.” WVWD’s rights include an Excess Carry Over Account (“ECO”) which is recorded with Watermaster as having a beginning balance and an amount which carries forward from the ending balance in a previous period. Said rights are described in an Assessment Package for the applicable Assessment and Production Year; and

WHEREAS, Company desires to lease, and otherwise receive the transfer of, WVWD’s rights under WVWD’s ECO for the 2023 - 2024 Assessment Year (2023- 2024 Production Year) (“23/24 ECO”); and

WHEREAS, the Parties desire to enter into this Agreement in order to set forth the terms and conditions for the lease/transfer of a portion of the 23/24 ECO.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, in exchange for the mutual covenants hereinafter contained, and the foregoing Recitals, which are incorporated herein, the Parties agree to the following:

1. QUANTITY. WVWD agrees to lease and transfer a total of 2,000 acre-feet (“AF”) of the 23/24 ECO (“Leased Groundwater”) to Company and Company agrees to lease, and otherwise accept the transfer of, the Leased Groundwater from WVWD.

2. PRICE. The Parties agree the price that Company will pay WVWD for the Leased Groundwater shall be \$620/AF of the Leased Groundwater.

3. PAYMENT. The lease/transfer of the Leased Groundwater and the payment by Company to WVWD for the same shall be made only after the lease/transfer has been approved by the Chino Basin Watermaster Board and/or any designee. Following Watermaster Board or designee approval, WVWD shall submit an invoice to Company in the full amount of the Leased Groundwater that was approved by the Watermaster Board/designee. Company shall initiate payment to WVWD for the full amount due from Company to WVWD and attaching a copy of

the Watermaster report showing the transfer amount on or before the sixtieth (60th) day after the date of such invoice from WVWD (“Due Date”). Any payment not received by WVWD from Company by the Due Date will incur a late payment penalty of ten percent (10%) of the total amount due as reflected on the invoice from WVWD to Company. If payment is not received by WVWD on or before thirty (30) days after the Due Date, provided that WVWD also gives Company written notice that payment is delinquent during such thirty (30) day period, then WVWD shall have the option to terminate this Agreement effective immediately upon communication of such intent to terminate to Company and/or take any other applicable actions under law or equity.

4. TERM AND EFFECTIVE DATE. This Agreement shall be effective as of the Effective Date when executed by both Parties. The term shall be from the Effective Date to the date of full performance by both Parties or June 30, 2024, whichever date is sooner. Upon the expiration or termination of this Agreement, any outstanding obligations shall become immediately due and shall survive said expiration or termination.

5. COOPERATION IN APPLICATION PROCESSING AND RECORD KEEPING. The Parties agree to work cooperatively in coordinating actions necessary to carry out the terms of this Agreement, including but not limited to preparing, maintaining, and delivering all applications, records, and other documentation required by Watermaster to process the lease and transfer of the Leased Groundwater as provided in this Agreement.

6. ACCEPTANCE OF TRANSFER/CONVEYANCE OF WATER. Company shall be responsible, at its sole cost and expense, for any and all activities required for the acceptance of the transfer of the Leased Groundwater and the conveyance of said water to Company facilities.

7. ASSESSMENTS; COSTS AND EXPENSES. WVWD shall have no responsibility, obligation, or liability, and Company shall be solely and completely responsible, for paying any and all Watermaster assessments applicable to the quantity of any water leased and transferred by WVWD to Company under this Agreement. Except as may be specifically required of WVWD under any rules or regulations of Watermaster, all costs and expenses for the initiation and completion of the lease/transfer contemplated herein shall be the sole responsibility of Company.

8. WATER QUALITY. WVWD makes no representation or warranty concerning the quality of any water transferred or leased by WVWD under this Agreement.

9. SERVICE AREA INTEGRITY. Nothing in this Agreement is intended nor shall be interpreted to change WVWD’s existing service area or allow Company or any other entity to sell water or provide any municipal water service within WVWD’s service area.

10. INDEMNITY. Each Party shall indemnify and hold harmless the other Party and its respective officials, employees, and agents from and against any and all damages, liabilities, obligations, claims, actions, suits, judgments, losses, costs and expenses, including but not limited to reasonable attorney’s fees arising from the Party’s breach of its obligations under this Agreement or negligent acts or omissions of its employees, agents, or contractors in the performance of this Agreement or the subsequent use and distribution of the Leased Groundwater.

11. GOVERNING LAW AND VENUE. The Parties agree that this Agreement shall be governed by the laws of the State of California. The Parties agree that venue for any action brought to enforce the terms of this Agreement shall be in a court of competent jurisdiction in the County of San Bernardino, California, and both Parties hereby consent to that jurisdiction.

12. NOTICES. Any formal notice, demand or request provided for in this Agreement, or given or made in connection with this Agreement, shall be in writing and delivered to the respective Party representative at the address specified in this Section below. All notices shall be deemed to be properly given or made upon receipt and shall be deemed received upon confirmed personal service, confirmed courier service, or on the fifth (5th) calendar day following deposit of the notice in registered first class mail. Either Party may change the address to which notices are to be given under this Agreement by providing the other Party with written notice of such change at least fifteen (15) calendar days prior to the effective date of the change.

13. AMENDMENTS. This Agreement may be amended only by written agreement signed by both Parties.

14. ENTIRE AGREEMENT. This Agreement constitutes the entire agreement between the Parties with respect to the specific subject matter hereof, and supersedes any and all prior or contemporaneous oral or written representations or agreements which may have been made between the Parties with respect to the specific subject matter hereof. No modification or revision shall be of any force or effect, unless the same is in writing and executed by both Parties hereto.

15. SUCCESSORS AND ASSIGNS. The terms of this Agreement shall be binding upon all successors in interest and assigns of each Party; provided, however, that no Party shall assign its rights or obligations under this Agreement without the signed written consent of all other Parties to this Agreement.

16. WAIVER. No waiver of any provision of this Agreement by a Party shall be construed as a further or continuing waiver of such provision or any other provision of this Agreement by the waiving Party or the other Party.

17. AUTHORIZED REPRESENTATIVES. Each person executing this Agreement on behalf of a Party hereto affirmatively represents that such person has the requisite authority to sign this Agreement on behalf of the respective Party.

18. COUNTERPARTS. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which when taken together shall constitute one and the same instrument.
