III. DISCUSSION ITEMS

1. Updates to the Safety and Technology Committee

Director of Technical Services Stephenson reported steady progress on the SCADA Master Plan, including highlights on revisions to the Radio Frequency Study, upcoming final review meetings, and coordination with the EPA on grant compliance. He also outlined efforts to update IT policies, transition to a .gov domain, and finalize an RFP for an IT Master Plan. Recent penetration tests showed strong cyber defenses, with FortiNAC implementation now being scheduled. Additional updates included progress on the Utility Payment API, staff participation in website ADA Title II compliance training, and near-completion of a new online water service application form.

2. Minutes of June 1, 2026, Special Committee Meeting

The Committee approved the minutes as presented and before Item 1 was discussed.

IV. ADJOURN

Chair Jenkins adjourned the meeting at 6:18 p.m.
