## West Valley Water District Celebrates Water Quality Month!

West Valley Water District (WVWD) is proud to celebrate Water Quality Month and our commitment to the community and the 100,000 customers we serve. Our dedicated team of water professionals work tirelessly to ensure that we provide you with a safe and reliable water supply. The WVWD Water Quality Team implements rigorous water quality monitoring, sampling, and testing to safeguard your water and guarantee that it meets or exceeds all state and federal drinking water quality regulations each time you turn on the tap!

WVWD publishes an annual water quality report in June detailing the previous year’s data and informs our customers about their water supply. The Water Quality Report is available online at [www.wvwd.org/waterquality](http://www.wvwd.org/waterquality) or if you would like a physical copy, please contact the customer service department at (909) 875-1804.

### 2023 Water Quality Report is now Available!

### Finance Department receives GFOA Award

WVWD’s Finance department has continued to excel in their commitment to transparency and financial responsibility. Earlier this year, they received the Distinguished Budget Presentation Award from the Government Finance Officers Association (GFOA) for the 3rd year in a row. This award recognizes the District’s outstanding efforts in preparing its Fiscal Year 2023 Budget book.

Currently, the Finance team is on track to receive the GFOA’s Triple Crown Award. For all information about our finance team visit [www.wvwd.org/transparency](http://www.wvwd.org/transparency).

## 2024 Poster Contest

Theme: “Being a Water Saver Means...”

Apply Now!

Deadline: October 10, 2024

West Valley Water District (WVWD) invites eligible first through sixth-grade students to participate in this year’s poster contest. The theme of this year’s contest is “Being a water saver means...”.

Winning student entries will be awarded a prize and recognized at a Board of Directors meeting and used for the 2025 West Valley Water District Calendar. If your child is interested in participating or if you are a school administrator and would like to sign up, email [social@wvwd.org](mailto:social@wvwd.org) or call the Public Affairs Department at 909-875-1804.

Visit: [wvwd.org/postercontest](http://wvwd.org/postercontest)

### Summer Water Saving Tips

As temperatures rise in the summer, so does our outdoor water use. Here are a few tips to help save water:

**Tune up your systems:** Check your irrigation systems for leaks, clogged sprinklers, or wasteful overspray.

**Watch the time:** Adjust outdoor irrigation to water in the morning or late evening to avoid evaporation from the heat.

**Keep grass long:** Longer grass promotes a more drought-resistant lawn by shading out weed seeds and keeping the soil cooler.

**Step on it:** Step on your lawn, if the grass springs back its an indication it doesn’t need water.
