

My WVWD News

Summer Fun with West Valley Water District!

West Valley Water District (WVWD) had a fun-filled summer with community members and local partners. Collectively, WVWD staff attended over fifteen events this summer, including Colton’s 137th Birthday Celebration, Supervisor Armendarez’s Open House, National Night Out in the cities of Bloomington, Colton, Fontana, and Rialto, and Rialto’s Movies in the Park. At each event, staff provided reusable water bottles, hose nozzles, conservation boxes, and educational resources. Thank you, WVWD community partners and residents, for making this a memorable summer!

Coming Soon! New Payment Portal System

We’re thrilled to announce the upcoming launch of our new payment platform. Get ready to experience a whole new level of convenience and efficiency in managing your West Valley Water District account.
