

COMMUNITY ACCESS CABLEVISION, NEWSPAPER, PHOTOGRAPHS, VIDEOTAPING AND POSTING ON THE INTERNET

West Valley Water District, as part of their community information program, may wish to place students' pictures and/or names on the Internet or in publications such as calendars and newsletters to promote water awareness in the community.

Videos or photographs may also be taken to illustrate District-generated news articles and brochures. Such photography/videotaping is done for news purposes only and is not for commercial use.

All photography/videotaping and Internet posting is done by accredited new media personnel or West Valley Water District personnel. In order to use such photographic materials, parental consent is necessary for any individual under 18 years of age.
