CLASSIFICATION SPECIFICATION

WATER MAINTENANCE WORKER

Department: Maintenance  FLSA Status: Non-Exempt
Range: 26  Effective Date: April 7, 2016

Class Specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

General Purpose

Under direct supervision of the Maintenance Supervisor, to learn to install, maintain, and repair water services, valves, mains, and hydrants; to learn to operate heavy equipment used in water service work; to learn to perform a variety of skilled maintenance trades work; and to perform other related duties as required.

Distinguishing Characteristics

The Class of Water Maintenance Worker is an entry level class that may be assigned to work in any of the District field operations department, depending upon the workload and needs of the District.

Supervision is received from the Maintenance Supervisor. Incumbents perform basic, routine tasks and duties that do not require prior knowledge or skill in crafts or mechanical procedures. Incumbents assist semi-skilled and skilled workers in a variety of sections in the District. In the course of duties, incumbents are expected to acquire the knowledge and skill of water operations and maintenance trades, in a training capacity, including the proper use of hand tools and motorized equipment that may provide preparation for promotion to Water Maintenance Worker I.

• Assists and learns to perform rough carpentry; assists and learns to install drywall;

• Assists and learns to use mortar mixes in the erection of block walls from cinderblocks;

• Assists in painting surfaces; sandblasts surfaces; learns to manipulate compressed air hoses for paint sprayers to prevent construction while spraying; assists in erecting scaffolding;

• Assists in making necessary repairs to special recording registers in the field or shop;

• Assists and learns to check discs, diaphragms and bushings; learns to assemble drive trains;

• Assist in water production operations including installation, operation, and maintenance of pumps, blowers, and valves, when needed;

• Required to wear respiratory protective equipment to include Self Contained Breathing Apparatus (SCBA);

• Clean and maintain reservoirs, buildings, sludge beds, and blending ponds.

**Qualifications**

Any combination of education, training, and experience that would likely provide the knowledge, skills,
and abilities to successfully perform in the position is qualifying. A typical combination includes:

**Knowledge of:**

- Basic mathematics;
- Verbal English to understand and be understood; written English to communicate in writing at a simple level;
- Appropriate safety precautions and procedures;
- Common hand tools, small power tools, and light equipment used in maintenance and construction trades;

**Ability to:**

- Learn to use hand and portable power tools in simple repair and construction projects;
- Take appropriate safety precautions in trench excavation;
- Perform heavy physical labor;
- Operate a vehicle observing legal and defensive driving practices;
- Understand and carry out oral and written instructions; read and write at a level sufficient for job success;
- Establish and maintain effective relationships with those contacted in the course of work;
- Learn to maintain basic records;
- Read, write and perform basic mathematical calculations;
- Learn basic methods of operation, installation, and maintenance of water and water reclamation facilities;
- Be physically capable of entering permit required confined spaces and wearing Self Contained Breathing Apparatus (SCBA) equipment;
- Operate an atmospheric tester for entry into confined spaces;
- Wear protective respiratory equipment to include SCBA and personal escape respirator;
- Maintain a driving record that meets vehicle code standards and is acceptable to the Department and its insurance carrier.

**Minimum Qualifications**

Any combination of education, training, and experience that would likely provide the knowledge, skills, and abilities to successfully perform in the position is qualifying. A typical combination includes:
Education:

Graduation from high school or G.E.D equivalent; and

Experience:

Experience in the construction and maintenance trade is highly desirable; and

Possession of a valid California Class “C” driver’s license required upon application. Note: For out-of-state applicants, a valid driver’s license is required and a valid California Class “C” driver’s license must be obtained within ten (10) days of appointment (CA Vehicle Code 12505c).

Necessary Special Requirements

Must be clean shaven or trimmed facial hair in order to properly use personal respirators and SCBA equipment. Must pass a respirator medical exam and be physically able to wear SCBA equipment. Must be able to work in enclosed spaces while wearing protective clothing under extreme temperatures and hazardous environment.

Physical Tasks and Environmental Conditions

Work involves exposure to potential physical harm, hazardous chemicals, and infectious disease including smoke, fumes, gas, treated water, high frequency noise, dirt, dust, grease, oil, chemicals, solvents and toxic agents. Incumbents need to be able to tolerate unpleasant odors, wet conditions, and uncomfortable climatic conditions. There is frequent need to stand, stoop, walk, crawl, climb, and perform other similar actions during the course of the workday.

Incumbents require sufficient mobility to work in a field setting in varying weather conditions, to operate hand tools and mechanical and motorized equipment, to transport materials and supplies weighing up to 75 pounds, and to travel to various locations. Must be able to see in the normal visual range with or without correction with vision sufficient to see color and read small print as well as distance. Must be able to hear in the normal audio range with or without correction. Employee accommodations for physical or mental disabilities will be considered on a case-by-case basis.

Article 3.306
Advancement in salary is not automatic. It should be considered a reward for meritorious service. The General Manager may authorize the advancement of an employee who has performed twelve (12) months continuous satisfactory service.

An employee who furthers his/her knowledge in the field or employment may become eligible for consideration of a salary review by the General Manager. The General Manager may authorize reimbursement to the employee for cost of tuition, registration fees, required text books, certification costs and other related charges upon proof of receiving a passing grade, and/or certificate, whichever may be appropriate or both.

THIS POSITION MAY BE ELIMINATED, OR THE DUTIES, QUALIFICATIONS AND TRAINING REQUIRED CHANGED BY THE BOARD OF DIRECTORS AND/OR THE GENERAL MANAGER, WHEN IN THEIR JUDGEMENT, IT IS CONSIDERED NECESSARY AND PROPER FOR THE EFFICIENT OPERATION OF THE DISTRICT.
