IV. ADJOURN

DECLARATION OF POSTING:

I declare under penalty of perjury, that I am employed by the West Valley Water District and posted the foregoing External Affairs Committee Agenda at the District Offices on August 16, 2019.

Crystal L. Escalera, Board Secretary
DATE: August 21, 2019
TO: External Affairs Committee
FROM: Clarence Mansell Jr., General Manager
SUBJECT: STATE LEGISLATIVE UPDATE

BACKGROUND: (AB 200) The California State Senate approved AB 200 (Monning) creating the “Safe and Affordable Drinking Water Fund” (Fund) on July 8 and signed by the Governor on July 24. AB 200 requires the State Water Resources Control Board to adopt a fund implementation plan, as well as requires expenditures to be consistent with the adopted plan.

Beginning Fiscal Year 2020-2021 through June 30, 2030, the Fund will receive five percent of the proceeds of the Greenhouse Gas Reduction Fund up to $130 million annually.

Overall, the Fund will be providing moneys to assist in the following:
- Operation and maintenance costs to assist delivering adequate supply of safe drinking water in both the near and long terms
- Consolidating water systems or extending drinking services to other public systems, domestic wells, and state small water systems
- The provision of replacement water, as needed, to ensure immediate protection of health and safety as a short-term solution
- Provision of administrative and managerial services for purposes of helping the systems become self-sufficient in the long term.
- The development, implementation, and sustainability of long-term drinking water solutions.
- Board costs associated with the implementation and administration of programs pursuant to this chapter.

DISCUSSION: Staff will monitor development of the plan by the Water Resources Control Board to determine funding opportunities.

FISCAL IMPACT: There is no change in fiscal impact.

STAFF RECOMMENDATION: Receive and file.
Respectfully Submitted,

Clarence Mansell Jr, General Manager
